# PLEDGE SHEET

## Read this CAREFULLY !

1. Ask each person you approach if they know anyone who has Diabetes. Almost all of them will and that can help you.
   Explain to them the following:
   * 800,000 Americans have diabetes. 400,000 of them are children.
   * Children with Type I diabetes need to take insulin just to stay alive.
   * These kids have to give themselves needles multiple times a day. Could you do that?
   * Diabetes is the leading cause of leg amputations and new blindness in adults.
2. **Checks should be made out to Gwynedd Mercy College.** Explain to donor that all cash and checks will be combined and one check will be written to the Juvenile Diabetes Foundation
3. Remind donors that their name will be entered into a drawing for dinner at a local restaurant.
4. They are NOT pledging for each hour you last at the marathon. It is a straight donation to support your effort.
5. Tax Deduction Proof: Call Tom Friel at x565, he will email you a form to use with that person.

BRING THIS SHEET TO THE EVENT !
