

## Gwynedd-Mercy College Introduces Teachscape Technology to Prepare Tomorrow's Educators

Gwynedd-Mercy College is collaborating with *Teachscape* to provide industry-leading solutions, technology and services for the future educators from Gwynedd-Mercy College. *Teachscape* has partnered with respected institutions including the Bill and Melinda Gates Foundation to streamline its approach with the necessary tools for producing dynamic schools and teachers. Gwynedd-Mercy College is one of the few colleges in the nation to offer this remarkable teaching aid that generates an effective teaching and learning model for pre-service and student teachers, known as *Teachscape*.

The following will be available:

- GMC/*Teachscape* Reflect Video Observation
- Classroom Walkthrough Observations
- Professional Learning Resources

For more information about the *Teachscape* program at Gwynedd-Mercy College, contact John Batchelor, EdD, Coordinator of T.A.P., Pre-Service and Student Teaching at: 215-646-7300 ext. 141 or [batchelor.j@gmc.edu](mailto:batchelor.j@gmc.edu)

*“The combination of Teachscape’s technology tools, observation protocols, and feedback to our faculty and students will ensure that our education programs deliver top-notch teachers that school districts need to ensure ever-increasing levels of student success”*
