

Gwynedd-Mercy College

Office of Resident Life

Quiet Lifestyle Option Signed Agreement

10/2009

By electing to live in a Quiet Lifestyle Community, I understand that this floor is designed to facilitate greater academic achievement. I understand that the emphasis will be on academics and the provision of a greater place for study and sleep. In light of the above statement, I agree to abide by the following set of guidelines:

1. I am willing to abide by a more rigorous quiet hours policy than exists on other floors, knowing that quiet hours in the Quiet Lifestyle Communities are set from 7:00 PM to 10:00 AM. Courtesy hours are in effect 24 hours per day.
2. I am willing to respect the special study needs of other residents and assist in promoting an atmosphere that fosters academic pursuits.
3. I am willing to reside on a partial or full Quiet Lifestyle Community, based on the space available.
4. I am willing to participate in and abide by additional guidelines decided upon by the members of the Quiet Lifestyle Community.
5. This Agreement may be terminated if the College determines at any time that my guest(s) or I fail to abide by the provisions in this Agreement or any other agreement that the members of my Community have outlined.
6. I understand that if my agreement is terminated, my relocation will be decided upon at the sole discretion of the College. I understand that this placement may not be in the same residence hall to which I was previously assigned. If there is not space available elsewhere, other sanctions up to and including revocation of the Housing Agreement may be assigned.
7. I understand that Quiet Lifestyle opportunities are based on the amount of spaces available on a quiet lifestyle floor and that I am not guaranteed a space on a Quiet Lifestyle floor for the upcoming semester.
