SCHEDULE OF CLASSES

Spring Term 2015: March 21, 2015– May 23, 2015

WITHDRAWAL/DROP POLICY

Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. When students register for classes, they have entered into a contractual agreement and are obligated to pay Georgia Military College for any courses on that contract at the time of registration. After students have registered, they must complete a Change in Registration form to remove/change that contract. After the drop/add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

IMPORTANT INFORMATION ABOUT ATTENDANCE

Students are responsible for knowing and abiding by the attendance policy for each class in which they are enrolled. Failure to attend class may result in an instructor-initiated withdrawal and the grade of IU.

IDENTIFICATION BADGES

Please be reminded that ID badges must be visible at ALL times while the student is on the GMC-Augusta campus. Student IDs are required to attend classes as well as receive service in all departments.

VEHICLE PASSES

GMC students registered for classes at Fort Gordon may obtain an entry pass by completing the proper forms available at the front office of the Augusta Campus. A valid driver's license, tag receipt, and proof of insurance must be presented at the Main Gate. Access to the base is at the discretion of Fort Gordon. Students with questions should contact Mr. Brian Hendricks, the On-Post Coordinator, at (706) 793-8577.

PARKING PERMITS

Students are required to have displayed in their vehicles at all times, a Georgia Military College Parking Permit. If you do not have one then you must come to see the front desk receptionist to obtain one. Students are not allowed to park in the faculty/staff parking lot in the front of the building, nor are they allowed to park in the visitor's parking spaces in front of the glass doors in the back of the building. However, students may park in our main parking lot between the main building, Brenau building and the Science and Technology building. There is extra parking on the side of the Brenau building and we have an over-flow parking lot located directly across the street from this parking area by Brenau.

GRADUATION

Students may complete degree requirements during any term of the academic year. Students finishing degree requirements during the spring quarter must complete a graduation application package during the winter term. See your advisor in the Advising Center, room 151, for details.

Regardless of the term in which the degree is completed, all students are eligible and encouraged to participate in the official graduation ceremony which takes place in the Spring of each year. There is no application fee for graduation. The tentative date for this year's ceremony is May 30, 2015.
