Satisfactory Academic Progress Appeal Academic Success

****Only valid for suspensions prior to November 30, 2015****

Federal regulations require students to maintain Satisfactory Academic Progress (SAP) for financial aid eligibility in three areas: Cumulative Grade Point Average (GPA), 67% Completion Rate, and Maximum Time Frame. It is the student's responsibility to stay informed of the college's SAP standards and to monitor his/her own progress. You may review GMC's SAP policy in its entirety at www.gmc.cc.ga.us under Financial Aid.

Academic Success is defined by the financial aid office as successfully completing all attempted coursework and maintaining at least a 2.0 GPA. The completed courses must include at least one academic course of 5 credit hours or more. The academic course cannot be an LSS course. Please remember that a withdrawal or grades of IP, F, I, IU, or XF from any course is not considered a successful completion. Submit this form if you can show that you have maintained academic success as defined above for a term in which you were under SAP Warning or a term in which you were under SAP Suspension, but have returned and paid out of pocket for your courses (No LSS courses).

If your appeal is approved and your financial aid is reinstated, it will not be retroactive to any term when these standards were not met. All decisions of the Financial Aid Appeal Committee are final and not subject for further appeal. **Please submit this form to the campus you attend as soon as grades are submitted and you are notified of your suspension status.**
