## SCHEDULE OF CLASSES

### Fall 1 Term 2015 – August 1, 2015 – September 27, 2015

#### WITHDRAWAL/DROP POLICY

Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. When students register for classes, they have entered into a contractual agreement and are obligated to pay Georgia Military College for any courses on that contract at the time of registration. After students have registered, they must complete a Change in Registration form to remove/change that contract. After the drop/add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

#### IMPORTANT INFORMATION ABOUT ATTENDANCE

Students are responsible for knowing and abiding by the attendance policy for each class in which they are enrolled. Any student not attending in person and/or online for the accumulated maximum absences or as allowed by instructor is considered to have withdrawn from the course. Failure to attend class may result in an instructor-initiated withdrawal and the grade of IU.

#### VEHICLE PASSES

GMC students registered for classes at Moody AFB may obtain an entry pass by completing the proper forms available at the front office of the Valdosta Campus. A valid driver's license, tag receipt, and proof of insurance must be presented at Building 3202 at the Main Gate. Students must consent to a criminal background check administered by Moody AFB Personnel. Access to the base is at the discretion of Moody AFB. Gate operation hours are 7:30 AM to 4:00 PM (closed from 11:00AM – 12:00PM) and the phone number is 257-4443.

#### GRADUATION

Students who plan to complete degree requirements during Fall or Winter term should apply for graduation immediately. See your advisor in the Advising Center, room 2402, for details.

## SCHEDULE OF CLASSES

### Fall 1 Term 2015 – August 1, 2015 – September 27, 2015

#### DEFINITION OF BLENDED COURSES

A blended course is a course that blends the classroom experience of a traditional course with the schedule flexibility of an online course, allowing a student to enjoy the benefits of both. Blended courses can be a great benefit to some students, while others are better off avoiding them. Continue reading to find out if you are ready to take a blended course!

Students will attend class during the scheduled class times. Students should understand that many assignments are due on non-meeting days throughout the term.

Instructors will use gmconline.edu and Moodle (<http://gmc.mrooms3.net>) for class instruction, assignments, class discussions, etc. for the course as well as to track absences and grades. Students not familiar with GMConline are encouraged to seek out tutoring in one of the computer labs on campus.
