

What Can I Do With a Major in...

Business Education?

This program combines business classes with teacher certification and prepares students to become competent teachers of business subjects in vocational, business or secondary schools. The combination of a business and educational background provides employment opportunities in the business world as well as in the teaching field. In addition, this degree provides a strong foundation for graduate level studies.

Skills/Competencies Associated with Business Education Majors:

- Strong communication skills
- Ability to work well with people and data
- Strong leadership skills
- Trustworthy, integrity and businesslike
- Ability to inspire productivity and loyalty
- Adaptable and flexible
- Enthusiasm for teaching
- Excellent organizational and planning skills
- Ability to incorporate technology into the curriculum and instruction
