Gwynedd-Mercy College—Career Services

Thank you for taking the time to learn about this wonderful service for the Gwynedd-Mercy College Community. Career Services needs your help in order to make this FREE service for students, alumni and employers, a success. Please review the information below so you can better explain to students and alumni just why they should be using College Central www.collegecentral.com/gmc.

-What is College Central?

College Central is the primary website where students and alumni register with Gwynedd-Mercy College to find jobs, internships and post their resume.

-Where is College Central?

www.collegecentral.com/gmc is where students and alumni can login.

-Who is College Central for?

This service is for everyone from freshmen to seniors to alumni. There is a wealth of positions posted on the site, such as internships and full-time positions.

-Why use College Central?

Employers are posting positions on this website (www.collegecentral.com/sepche). They can be posted exclusively for Gwynedd-Mercy College students and alumni or for all the SEPCHE schools depending on the employer. Unlike general job search websites like Monster or Career Builder, who post their positions for many people and places, employers are targeting GMC students on College Central.

-How to promote College Central?

There are two ways faculty and staff can promote College Central.

1. Notify students of this website:
2. Inform any interested employers to post on College Central.

Directions for students/alumni and employers for registering or posting are on the website.
