

What Can I Do With a Major in...

Liberal Studies?

This program of study provides a general foundation of courses in the liberal arts. Students take courses in behavioral/social sciences, humanities, language, literature, fine arts and natural sciences. General knowledge skills developed through liberal arts studies can have a significant effect on your career development. Although technical skills may be helpful with securing an initial job offer, general knowledge skills may contribute more to long-term employment success.

Skills/Competencies Associated with Liberal Studies Majors:

- Good speaking and presentation skills
- Able to lead and direct others.
- Ability to prioritize and organize
- Ability to perform research
- Good problem-solving skills
- Strong work ethic and leadership skills
- Ability to manage conflict
- Desire and ability to take initiative
- Adaptable and flexible
- Ability to get along with others
