

Dear Employer,

There are numerous ways you can offer experiential learning opportunities for Gwynedd-Mercy College (GMC) students.

You can offer anything from an internship, externship, full-time work, part-time work, or even volunteer opportunities.

You can post these opportunities on GMC's main Internet Job Posting System, College Central (www.collegecentral.com/sepche).

Career Services is also involved in several job and career fairs around the area that you might be interested in getting involved. You can see this list at www.collegecentral.com/gmc/employer.cfm.

If you have any questions about our services or how to use them, please contact us at 215-646-7300; ext: 230 or email us at careerservices@gmc.edu

Sincerely,

Chet Rispoli, Director
Nick Schaefer, Associate Director
Jenn Unruh, Graduate Assistant
