1. A graduation fee is assessed by the Student Billing Office.
2. Financial responsibilities and all STOPS must be taken care before a diploma and transcript are issued.
3. Students graduating in August or January prior to the May ceremony are eligible to participate in the May ceremony. Exceptions are determined by the Vice President of Academic Affairs. Questions regarding any exceptions are handled through the Academic Affairs Office.
4. Information regarding the May Ceremony is sent via the GMC.EDU email, to all students who have submitted an application for graduation, from the Office of Student Services in mid-February. Check <http://www.gmc.edu/graduation/> for May Ceremony details and updates.
