

# How to access your Moodle Courses through the GMC Portal

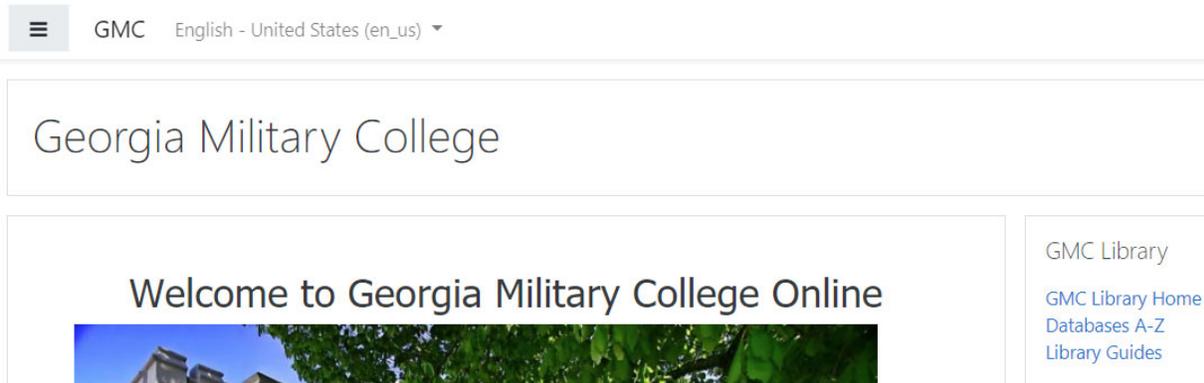

1. After logging in to your GMC Portal, select the **Academics** tab and then select **Moodle**

The screenshot shows the GMC Portal homepage. The left sidebar contains a menu with the following items: Home, Financial Information, Academics, Student Planning, Course Catalog, Grades, Transcript Requests, Unofficial Transcript, Enrollment Agreement, Email, Moodle (circled in red), Starfish, and GMC Library. The main content area displays a welcome message, a notifications table, and several service tiles for Student Finance, Financial Aid, Tax Information, Banking Information, Student Planning, Course Catalog, Grades, and Transcript Requests.

Title	Details
Web Registration Hold	Your Web Registration Hold prevents you from registering for classes through the GMC Portal online. You must contact an academic advisor to register for classes or to have this hold removed.
Web Registration Hold	Your Web Registration Hold prevents you from registering for classes through the GMC Portal online. You must contact an academic advisor to register for classes or to have this hold removed.
You Currently Owe A Balance	Visit your Self Service Student Finance portal to view the balance and make a payment. Please contact the business office on your campus if additional assistance is needed.

2. You will be redirected to the GMC Moodle Platform

The screenshot shows the GMC Moodle Platform homepage. The top navigation bar includes the GMC logo and the language setting 'English - United States (en\_us)'. The main heading reads 'Georgia Military College'. Below this is a large banner with the text 'Welcome to Georgia Military College Online' and a background image of a building and trees. On the right side, there is a 'GMC Library' section with links for 'GMC Library Home', 'Databases A-Z', and 'Library Guides'.

3. Scroll down until you see **My Courses**. All of your current courses will be listed with a brief description and the name of the instructor.

The screenshot shows the 'My courses' section in Moodle. It features a decorative banner image of red flowers. Below the banner, the text 'My courses' is displayed. A course is listed: '20SPCMP Applied Stat (MAT-200-20102)' with a teacher listed as 'Laura Booth'. A brief description of the course is provided: 'An overview of the ideas and concepts that are basic to modern statistics. Topics include descriptive statistics'.

4. Click on the icon with three horizontal lines. This will open a side menu for navigation in Moodle.

The screenshot shows the Blackboard interface for Georgia Military College. At the top, the user is logged in as 'La' with 172 notifications. The left sidebar menu is highlighted, showing options like Home, Dashboard, Calendar, Private files, My courses, and a specific course '20SPCMP MAT-200-20102'. The main content area features the college's name and a welcome message. The right sidebar provides links to the GMC Library, including a home page, a list of databases, and library guides, as well as online books from EBSCO eBooks.

5. Click on the course you wish to view from under My Courses on the main page or left side menu.

Once you click on the course, you will be able to see the resources and information for that particular class. It is very important that you familiarize yourself with the following:

**Announcements** – Instructors will post information in this forum.

**Course Syllabus** – You are responsible for knowing and abiding by the information/rules in the syllabus.

**Attendance** – Each instructor has an attendance policy for the course.

Click on the items listed in the course to become familiar with navigation and accessing material.
