## FLEXIBILITY OF COURSE FORMATS OFFERED AT GMC

### **IN-SEAT**

Traditional course that meets exclusively in person with a professor at a physical campus for a traditional experience with full local campus support.

### **HYBRID**

Course contains a combination of in-seat learning at a scheduled time as well as online learning components to compensate for reduced in-seat hours.

### **REMOTE LEARNING**

Course is a live interactive class at scheduled times in a classroom with a professor. Students can participate in the course via streaming services from their personal computer at home, in person from the broadcasting campus, or from a classroom or lab at any GMC location.

### **ONLINE**

Course allows for a fully online and more flexible learning experience via their personal computer from the students' location of choice. These courses involve a professor, virtual learning materials, and group work.
