

Dear Student:

In previous years, your 1098-T included a figure in Box 2 representing the qualified tuition and related expenses (QTRE) we *billed* to your student account for the calendar (tax) year. Due to IRS changes mandated by Federal Law, GMC must begin with tax year 2018, to report in Box 1 the amount of QTRE you *paid* during the year and Box 2 will be blank.

Depending on your income (or your family’s income, if you are a dependent), whether you were considered full or half-time enrolled, and the amount of your qualified educational expenses for the year, you **may** be eligible for a federal education tax credit. (You can find detailed information about claiming education tax credits in [IRS Publication 970](#), page 9.)

The dollar amounts reported on your Form 1098-T may assist you in completing IRS Form 8863 – the form used for calculating the education tax credits that a taxpayer may claim as part of your tax return.

Georgia Military College is unable to provide you with individual tax advice, but should you have questions, you must seek the counsel of an informed tax preparer or adviser.

Below is a blank sample of the 2018 Form 1098-T, Georgia Military College will make available to students with a reportable condition no later than January 31, 2019.
