

Student Right To Know

Strategic planning is an organization's process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy. Strategy has many definitions, but generally involves setting goals, determining actions to achieve the goals, and mobilizing resources to execute the actions.

Within each of these initiatives, there is a strategic goal. These strategic goals are the framework for determining the operating initiatives and goals that are formed at the operational planning level.

GMC's "Four Big Ideas"

- Contribute to Student Success
- Grow Enrollments
- Think and Act as One Institution
- Invest in the Future of GMC

53%

Fall 2018 to Fall 2019 Retention Rate:
First Time Freshman Fall-to-Fall

28%
