

GMC received Federal Higher Education Emergency Relief Funding (second HEERF funding, known as HEERF II) to assist students who are affected financially due to the Corona virus. We are planning to distribute relief funds via Direct Deposit (ACH) the week of April 12th. Due to check printing and postal delivery, students receiving paper checks should anticipate receiving funds the week of May 3rd.

Based on your Spring term enrollment and our census data, potential recipients (*Dual enrolled, joint enrolled, international, and transient students are not eligible for HEERF II Grants*) of an education emergency relief award have been notified. We seek to ensure recipients receive HEERF II relief check as quickly as possible. **Direct Deposit is the quickest and safest way to receive your award.** Please read and follow the guidance below to ensure timely receipt of your check.
