Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. After students have registered, they must complete a Change in Registration form to remove/change that contract. Please utilize tutoring resources as they are available for students at no additional cost. A student success coach is also on staff to assist students in identifying areas for academic improvement.

SATISFACTORY ACADEMIC PROGRESS (SAP)

SAP STANDARDS

A student will be expected to achieve certain minimum levels of progress toward the successful academic completion of course requirements for a degree. Progress toward the degree is measured both quantitatively and qualitatively. There is also a maximum allowable time frame for completion of the degree. At GMC, standards for maintaining such progress is as follows:

QUALITATIVE STANDARD – A student must maintain good academic standing. Failure to do so results in Academic Exclusion.

QUANTITATIVE STANDARD – A student must maintain a satisfactory progress rate by successfully completing two-thirds of all course work attempted to GMC.

ACADEMIC WARNING – When the cumulative grade point average (cgpa) at the end of any quarter falls below the standards of satisfactory progress. GPA is 1.20 or less regardless of the overall GPA.

ACADEMIC EXCLUSION – Financial Aid is terminated. To re-enter on a probationary status, a student must successfully complete ten (10) hours over two successive terms or ten (10) hours within one term.

Please keep in mind that tutoring is available here at GMC. You the student must take the initiative to contact a tutor to utilize the service.

REVERSE TRANSFER

WHAT IS REVERSE TRANSFER?

Students who have earned at least 23 credit hours with GMC and have transferred to a four-year institution without an Associate Degree may "reverse transfer" earned credits at their four-year institution to complete an Associate Degree with GMC. This process makes it possible for students to earn their Associate Degree while continuing to work on their Bachelor's Degree.

To sum it up, please review the following example:	
1. Annie earned at least 23 quarter hours at GMC.	2. Annie began attending UGA and took some classes that could have finished her degree with GMC.
3. Annie found out that she can get her Associate Degree by completing GMC's Reverse Transfer application and submitting her UGA transcripts to the Registrar at GMC.	4. Annie completed GMC's Reverse Transfer application.
5. Annie was sent reminders throughout the year to send her UGA transcript to GMC.	6. After sending her transcripts to GMC, Annie earned her Associate Degree.

WHY IS AN ASSOCIATE DEGREE IMPORTANT?

An Associate Degree is an important marketable achievement that is valued by employers, transfer institutions, and professional institutions.

The Associate Degree can make a difference in your long term success:

- It can provide job opportunities while completing your Bachelor's Degree.
- It indicates motivation towards completing goals.
- It helps students stay motivated while working on their Bachelor's Degree.

WHAT'S THE CATCH?

There's not always a catch.

IF THIS IS SO GREAT, THEN WHY DOESN'T EVERYONE DO IT?

Great question! The reverse transfer process isn't that new. The problem is that people didn't know about it – until now. In the last few years, Congress enacted legislation awarding competitive grants to states who made and expanded reverse transfer programs.

To learn more about the Legislation and Transcript Requests, please visit <https://www.congress.gov/bill/113th-congress/senate-bill/2506> and <https://reversetransfer.org>.

WHY IS THIS PROCESS SOMETHING I SHOULD BE INTERESTED IN?

- Most colleges look at students having Associate Degrees as favorable.
- You earn something that cannot be taken away from you.
- If you later decide to transfer to a different four-year college, it will be easier to do so with an Associate Degree.

SIGN ME UP! HOW DO I DO IT?

Ask for the Reverse Transfer application. We'll contact you periodically to send in your transcripts.
