Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. When students register for classes, they have entered into a contractual agreement and are obligated to pay Georgia Military College for any courses on that contract at the time of registration. After students have registered, they must complete a Change in Registration form to remove/change that contract. After the drop/add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

Please utilize tutoring resources as they are available for students at no additional cost. A student success coach is also on staff to assist students in identifying areas for academic improvement.

SATISFACTORY ACADEMIC PROGRESS (SAP)

SAP STANDARDS

A student will be expected to achieve certain minimum levels of progress toward the successful academic completion of course requirements for a degree. Progress toward the degree is measured both quantitatively and qualitatively. There is also a maximum allowable time frame for completion of the degree. At GMC, standards for maintaining such progress is as follows:

QUALITATIVE STANDARD – A student must maintain good academic standing. Failure to do so results in Academic Exclusion.

QUANTITATIVE STANDARD – A student must maintain a satisfactory progress rate by successfully completing two-thirds of all course work attempted to GMC.

ACADEMIC WARNING – When the cumulative grade point average (cgpa) at the end of any quarter falls below the standards of satisfactory progress. GPA is 1.20 or less regardless of the overall GPA.

ACADEMIC EXCLUSION – Financial Aid is terminated. To re-enter on a probationary status, a student must successfully complete ten (10) hours over two successive terms or ten (10) hours within one term.

Please keep in mind that tutoring is available here at GMC. You the student must take the initiative to contact a tutor to utilize the service.
