## SCHEDULE OF CLASSES

### Quarter 1: August 15, 2022 – October 11, 2022

#### WITHDRAWAL / DROP POLICY

Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. When students register for classes, they have entered into a contractual agreement and are obligated to pay Georgia Military College for any courses on that contract at the time of registration. After students have registered, they must complete a Change in Registration form to remove/change that contract. After the Drop/Add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

#### IN SEAT COURSES - BOOK PICK-UP / DROP-OFF

Book pick-up for Quarter 1 term will begin on August 8, 2022. Student must be present to pick up books. Students are required to show course schedule and student ID in the bookstore to obtain textbooks. Books cannot be marked with ink or highlighters. All books must be returned to the bookstore by 12 PM on October 12, 2022. Any book not returned by the due date will be subject to a \$25 fee per book. Damaged, lost or unreturned books will be subject to a \$100 fee per book.

#### REMOTE COURSES – BOOKS ARE EMBEDDED

Remote courses have their required textbooks and materials embedded. They will be available to the students automatically once the course is open for the term. A \$15 book / material fee per credit hour is assessed.

#### IMPORTANT INFORMATION ABOUT ATTENDANCE

Students are responsible for knowing and abiding by the attendance policy for each class in which they are enrolled. Failure to attend class may result in an instructor-initiated withdrawal and the grade of IU.

#### LIBRARY

The library is a Wi-Fi enabled area in the main building that provides students a quiet place to do homework, study, print assignments via *Bulldog Printing* as well as to sign up for and receive tutoring in all academic disciplines. Please utilize tutoring resources as they are available for students at no additional cost.

#### IDENTIFICATION BADGES

Please be reminded that ID badges must be visible at ALL times while the student is on the GMC-Augusta campus. Student IDs are required to attend classes as well as receive service in all departments.

#### VEHICLE PASSES

GMC students registered for classes at Fort Gordon may obtain an entry pass by completing the proper forms available in the Advising Center. A valid driver's license, tag receipt, and proof of insurance must be presented at the Main Gate. Access to the base is at the discretion of Fort Gordon. Students with questions should contact Mrs. Marilyn Miller at (706) 664-2992.

#### PARKING PERMITS

# REVERSE TRANSFER INITIATIVE

## WHAT IS REVERSE TRANSFER?

Students who have earned at least 23 credit hours with GMC and have transferred to a four-year institution without an Associate Degree may "reverse transfer" earned credits at their four-year institution to complete an Associate Degree with GMC. This process makes it possible for students to earn their Associate Degree while continuing to work on their Bachelor's Degree.

To sum it up, please review the following example:	
1. Annie earned at least 23 quarter hours at GMC.	2. Annie began attending UGA and took some classes that could have finished her degree with GMC.
3. Annie found out that she can get her Associate Degree by completing GMC's Reverse Transfer application and submitting her UGA transcripts to the Registrar at GMC.	4. Annie completed GMC's Reverse Transfer application.
5. Annie was sent reminders throughout the year to send her UGA transcript to GMC.	6. After sending her transcripts to GMC, Annie earned her Associate Degree.

## WHY IS AN ASSOCIATE DEGREE IMPORTANT?

An Associate Degree is an important **marketable** achievement that is valued by employers, transfer institutions, and professional institutions.

The Associate Degree can make a difference in your long term success:

- It can provide job opportunities while completing your Bachelor's Degree.
- It indicates motivation towards completing goals.
- It helps students stay motivated while working on their Bachelor's Degree.

## WHAT'S THE CATCH?

There's not always a catch.

## IF THIS IS SO GREAT, THEN WHY DOESN'T EVERYONE DO IT?

Great question! The reverse transfer process isn't that new. The problem is that people didn't know about it – until now. In the last few years, Congress enacted legislation awarding competitive grants to states who made and expanded reverse transfer programs.

To learn more about the Legislation and Transcript Requests, please visit <https://www.congress.gov/bill/113th-congress/senate-bill/2506> and <https://reversetransfer.org>.

## WHY IS THIS PROCESS SOMETHING I SHOULD BE INTERESTED IN?

- Most colleges look at students having Associate Degrees as favorable.
- You earn something that cannot be taken away from you.
- If you later decide to transfer to a different four-year college, it will be easier to do so with an Associate Degree.

## SIGN ME UP! HOW DO I DO IT?

Ask for the Reverse Transfer application. We'll contact you periodically to send in your transcripts.
