

2022 - 2023 Direct Loan Information

All Federal Direct Student and PLUS Loans are considered a source of Title IV Financial Aid. This is federally funded aid which includes other programs such as the Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (SEOG). These federal student aid programs are authorized under Title IV of the Higher Education Act (HEA) of 1965, as amended.

Federal Direct Student Loan Information:

- Unsubsidized Direct Loan: A loan that you are responsible for paying the interest on during in-school status, grace periods and authorized deferment periods. You have the option of postponing the interest payments while in school. However, the interest continues to accrue and any unpaid interest will be capitalized (added to the principal balance) as you enter repayment.
