After students have registered, they must complete a Change in Registration form to remove/change that contract. After the Drop/Add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

- ❖ GMC students registered for classes at Fort Eisenhower must obtain an entry pass by completing the proper forms available in the Advising Center.
- ❖ A valid driver's license, tag receipt, and proof of insurance must be presented at Gate 6. Access to the base is at the discretion of base security.

❖ Georgia Tuition Equalization Grant (GTEG)

- The GTEG program provides non-repayable grants to eligible Georgia residents who enroll on a full-time basis at Georgia Military College.
- To be considered full-time, a student must be registered for 12 or more credit hours and actively attending class. Attendance is monitored to verify eligibility.

- State grant regulations and award amounts are subject to change during an award year.

❖ Dual Enrollment (DE)

- The Dual Enrollment Program provides for participation in Dual Credit Enrollment for Eligible High School and Home Schooled students.
- These students earn postsecondary credit hours and simultaneously meet their high school graduation or Home Study completion requirements as Dual Credit Enrollment students.
- Interested students should complete the Dual Enrollment Funding Application online at GAFutures.org.
- Dual Enrollment students are only allowed two (2) voluntary, or involuntary, withdrawals. Once a student has two withdrawals they will be ineligible to continue participating in the program.

❖ Student Loans

- Federal guaranteed student loans are available. See your Graduation Coach for information and appropriate forms.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS

- ❖ A student will be expected to achieve certain minimum progress toward the successful academic completion of course requirements for a degree.
- ❖ Progress toward the degree is measured both quantitatively and qualitatively. There is also a maximum allowable time frame for completion of the degree.
- ❖ Failing to meet these criteria may result in the termination of Financial Aid.
- ❖ At GMC, standards for maintaining such progress are as follows:
 - **QUALITATIVE STANDARD:**
A student must maintain a good cumulative GPA based on the number of hours attempted.
 - **QUANTITATIVE STANDARD:**
A student must maintain a satisfactory progress rate by successfully completing two-thirds (67%) of all credit hours attempted at GMC.
- ❖ A student who fails to maintain their SAP will be placed on either Academic Warning or Academic Suspension as described below:
 - **ACADEMIC WARNING:**
A student is placed on Academic Warning when the cumulative Grade Point Average (GPA) at the end of any quarter falls below the standards of satisfactory progress, or the GPA is 1.50 or less regardless of the overall GPA.
 - **ACADEMIC SUSPENSION:**
A student must maintain good academic standing. Failure to do so results in Academic Suspension.

REVERSE TRANSFER INITIATIVE (RTI)

❖ What is Reverse Transfer?

- Reverse Transfer is a process that makes it possible for students to finish earning their Associate Degree while continuing to work on their Bachelor's Degree.
- Students who have earned at least 23 credit hours with GMC and have transferred to a four-year institution without an Associate Degree may "reverse transfer" credits earned at their four-year institution to complete their Associate Degree with GMC.

❖ Why is an Associate Degree Important?

- An Associate Degree is an important marketable achievement that is valued by employers, transfer institutions, and professional institutions.
- It can help provide job opportunities for you while completing your Bachelor's Degree.
- It shows prospective employers and post-graduate institutions you are able to stay motivated in completing your goals.

❖ Why Should I Be Interested in Reverse Transfer?

- Most colleges look at students having Associate Degrees as favorable.
- If you later decide to transfer to a different four-year college, it will be easier to do so with an Associate Degree
- It can provide additional opportunities with employers, in professional organizations, and in the community.
- You earn something that cannot be taken away from you.

❖ How Do I Complete the Reverse Transfer Process?

- Ask your Graduation Coach for the Reverse Transfer application, complete it, and return it to them.
- We will contact you periodically to send in your transcripts from your current college.
- When you have earned the necessary credits to complete your GMC degree your Associate Degree will be awarded and your diploma mailed to you.

LIBRARY

- ❖ Georgia Military College provides full library assistance, both in person with our campus library staff and through the library's Ask a Librarian chat. They can help with everything: using library resources, citations, assistance with technology, etc.
- ❖ GMC's eLibrary includes more than 125 databases and collections containing millions of sources, books, and journals that are available to our students wherever they are whenever they need them;.
- ❖ Physical sources are available to students from our main library in Milledgeville through inter-library loan.
- ❖ The library is also the hub for our student printing service, Bulldog Printing. Students get \$30 a term in printing credit to print whatever they need. It is a four-term rolling balance, so what you don't use in one term will carry over to the next.

ARTICULATION AGREEMENTS

What is an Articulation Agreement?

An articulation agreement is a formal partnership between two academic institutions to follow an agreed upon process to provide a formalized pathway for student transfer. GMC currently has 52 articulation agreements.

What do GMC's Articulation Agreements mean for you?

GMC's articulation agreements mean that most, if not all, of the coursework you take at GMC is guaranteed to transfer to those four-year institutions that GMC has agreements with. Some even include guaranteed admission to the institution, though some programs of study may have additional admission requirements.
