Financial aid awards at GMC are based on scholastic ability and/or financial need. Students may receive aid in the form of scholarships, grants, loans, or work opportunities. All students are encouraged to apply. Programs with limited funding are awarded according to the earliest application date.

Many students do not have the financial resources to accomplish their educational objectives. Through financial aid programs, GMC makes every effort to ensure that no qualified student will be denied the opportunity to attend school because of a lack of funds. Each year, over 80 percent of GMC students receive some form of financial aid. Once awarded and packages are complete, they may be viewed online via GMC's secure student portal.

For more information, view the website at GMC Financial Aid, or email at [fahelp@gmc.edu](mailto:fahelp@gmc.edu).
